

# *Satish Caterers*

# *Good Food & Good Mood*

Satish Caterers has hosted many private & community events over the past years. We have expanded our services to include professional catering for all kinds of events : formal or casual, offsite or in our venues. We also deal in decorations along with the catering. We have done various decorations for a lot of events depending on the customer's needs.

We give importance to the quality of our food & use the finest ingredients to keep each dish special. Our team gives the best service in catering & as a client one shall have an exceptional experience.

We bring to you high quality food, personalised service & a very professional hospitality.

Our goal is to provide our clients with utmost value along with an original experience.
